

Experiment 2: $K = 100$, $P = 0.9$

The diagram illustrates the relationships between different statistical methods. At the top, 'LASSO' and 'TMLE' are shown. 'LASSO' has a purple arrow pointing down to 'DR (lasso)'. 'TMLE' has a brown arrow pointing down to 'DR (lasso)'. 'DR (lasso)' has a green arrow pointing down to 'HT'. 'HT' has a green arrow pointing down to 'PS Matching'. 'PS Matching' has a green arrow pointing down to 'HT (lasso)'. There are also dashed lines connecting 'LASSO' to 'HT' and 'TMLE' to 'HT'.
